Site #: 75  County: Kitsap  Town: Port Orchard  Updated: March 2019
Site Name: Sinclair Inlet  GPS: N47° 32.381' W122° 39.725'

Location: From Seattle, take the Southworth-Fauntleroy Ferry to Port Orchard. Continue straight on WA-160 for 7.4 mi, then take the first right at the traffic circle onto Bethel Ave. Park on the side of the road where the shoulder widens on the right (see pictures). From Tacoma, drive on SR-16 and take the Tremont St exit toward Old Clifton Rd. Continue straight on Tremont St W through the traffic circle, turn left on Port Orchard Blvd, then turn left on Bay St (SR-166). Park on the side of the road where the shoulder widens on the right (see pictures). Walk to the point via the trail to the left and stand where the path widens to survey.

Access: Parking is free, but take caution from fast moving traffic when walking along the side of the road. This site is not ADA accessible.
Location of scope: Stay left at the fork in the trail and stand where the trail widens.
