**County:** King **Town:** Vashon

**Site Name:** La Playa

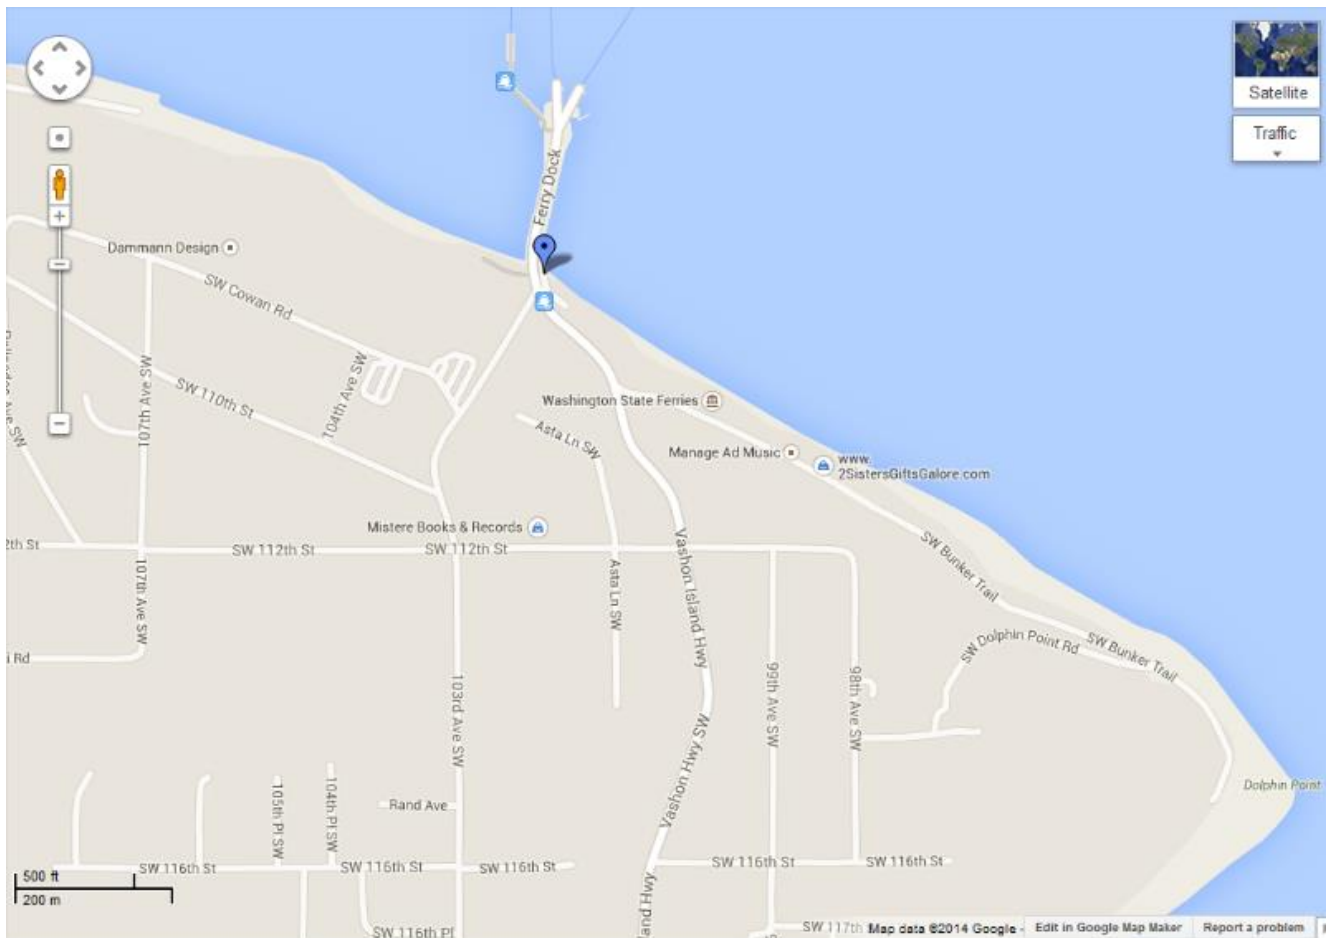

**GPS:** N47° 30.523, W122° 27.843

**Location:** La Playa is the name of a Mexican Family Restaurant directly adjacent to the Vashon-Fauntleroy ferry dock. From Vashon town, follow Vashon Hwy SW north until it ends at the ferry dock. Conduct the survey (locate the tripod) in the corner of the restaurant parking lot where the two different types of fence meet.

**Access:** The survey location is directly adjacent to a restaurant with only a few parking spaces. Therefore, during business hours (11am – 10pm, 7 days a week) we advise parking in the ferry lot up the hill on 103<sup>rd</sup> street instead ([map](#)). You will then need to walk down the hill to the survey location.
