

Site #: 11
Site Name: Lincoln Park

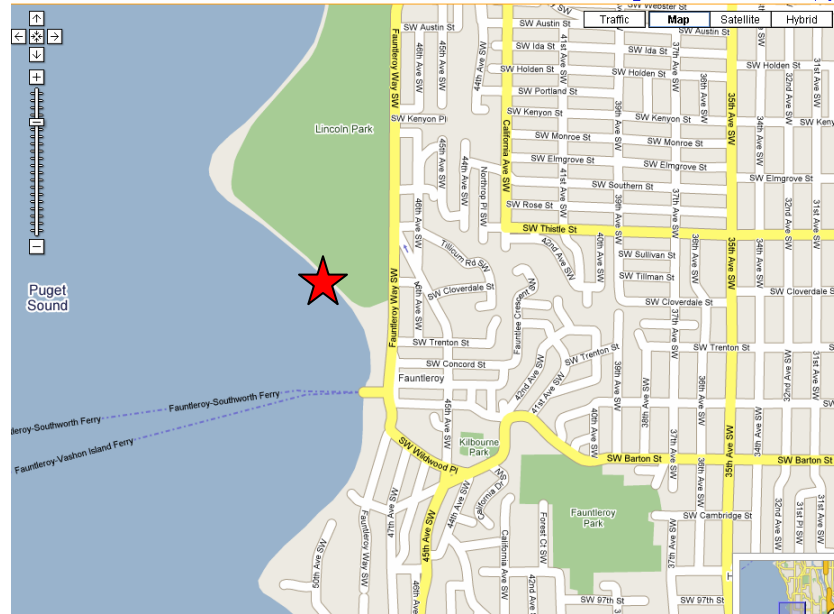

County: King
City: Seattle

Location: south end of Lincoln Park in West Seattle. Survey site next to south access road.

Access: park in public parking lot north of Fauntleroy Ferry Dock or on street. Walk down access road to the water (next to the homes bordering the south end of Lincoln Park). Short walk on cement downhill.

Notes (e.g. special considerations): parking might be difficult if the weather is nice or if there is a festival on Vashon..

Map:

The left-most lamppost on dock is 317 meters from survey site
