

Site #: 111

County: King **Town:** Vashon

Site Name: KVI

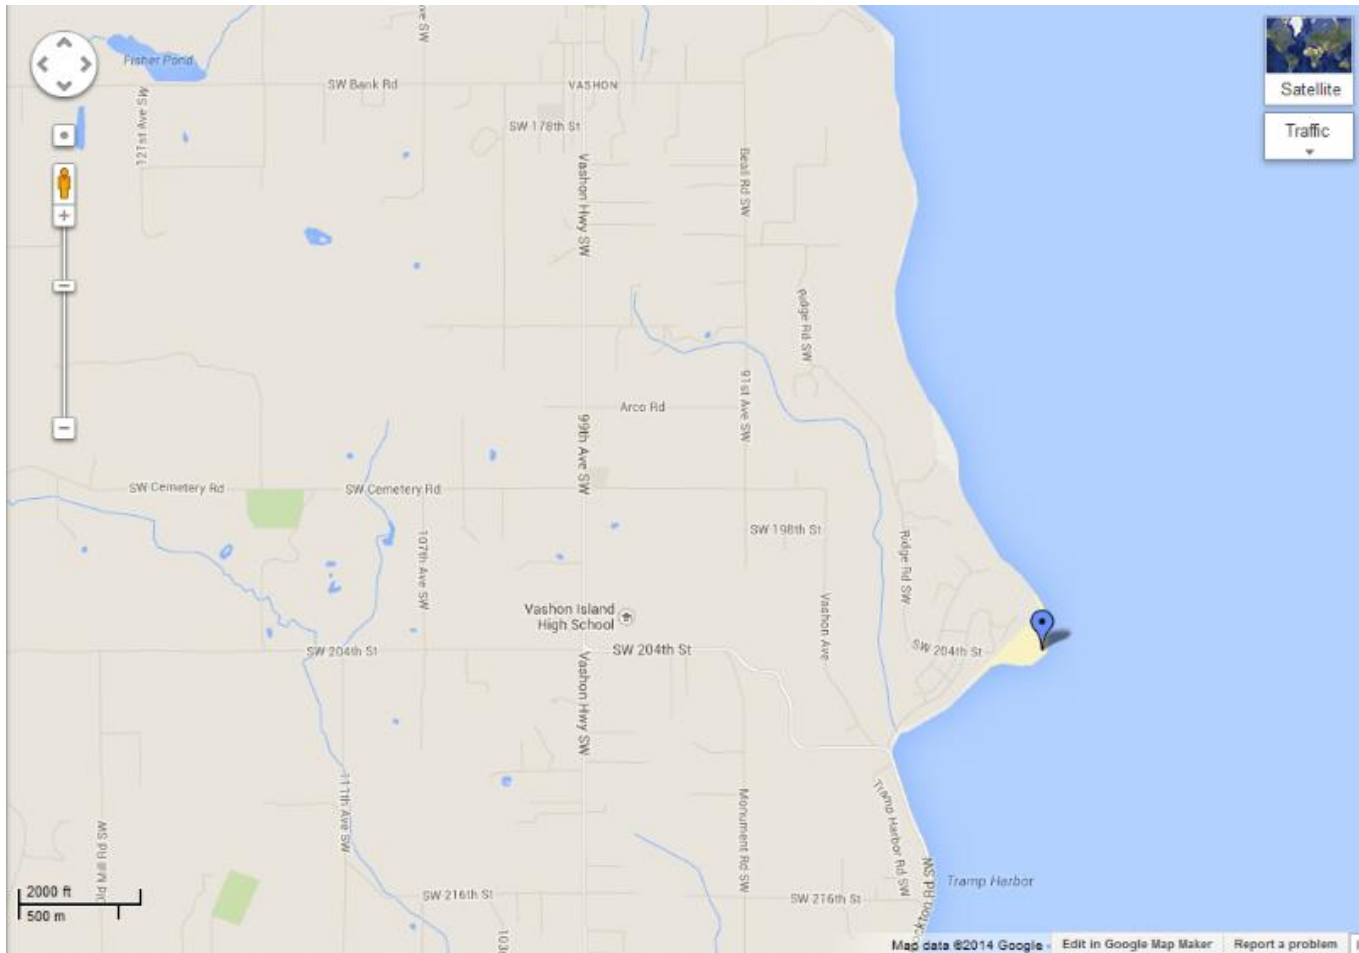

GPS: N47° 25.318, W122° 25.806

Location: This location is situated at Point Heyer on KVI beach. From Vashon town, head east on SW Bank Road which turns into Beall Road SW, turn left onto 184th Street, turn right onto Ridge Road SW and follow that road for 1.3 miles, continue onto SW 204th Street, onto 78th Place SW, take a sharp right onto SW 202nd Place, a slight left onto 77th Place SW and continue to the end to park. Walk down to the beach and follow the path towards the left side of the red and white pylon. Conduct the survey (locate the tripod) to the left of the pylon between the driftwood logs.

Access: There is sufficient space to park at the end of 77th Place SW and a short, easy walk along the beach to the survey location.

Notes: None
