

Site #: 105

County: Clallam **Town:** Sekiu

Site Name: Shipwreck Point

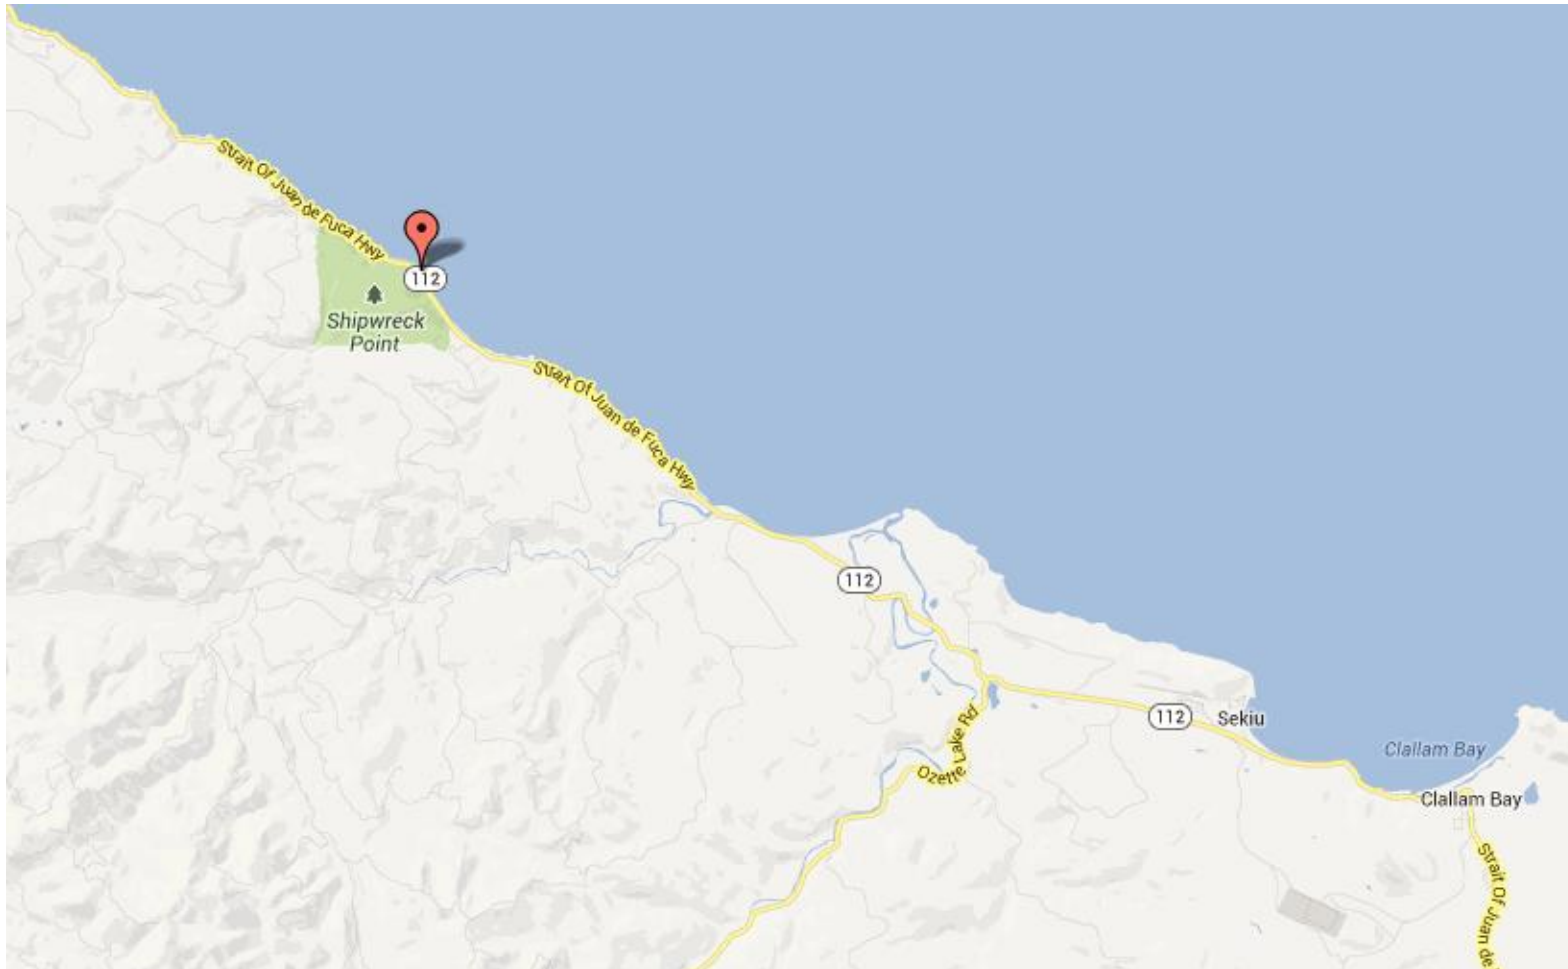

GPS: N48° 18.969, W124° 26.853

Location: Shipwreck Point Natural Resources Conservation Area. From the town of Sekiu, travel west on Highway 112 along the coast to approximately mile post 6.

Access: There is a small pull-out with a couple of signs providing information about the site and its wildlife. Position the scope tripod between the two large boulders at the edge of the parking area, directly in front of the lower sign.

Notes: Discovery Pass required. You can buy passes at various outlets and [online](#).
