Birdathon is an annual tradition and important fundraiser for Seattle Audubon. It is like a walk-a-thon, but instead of walking miles, our participants count bird species and collect pledges and donations from friends and family. Thank you to all of our 2021 Birdathon participants that leveraged their personal network to raise funds for Seattle Audubon’s mission!

MEMBERS

Seattle Audubon was founded in 1916 with just over 100 members. Today, we have grown to a community of more than 4,000 individuals dedicated to the protection of birds and habitat in our local area. Membership dues play an important role in providing organizational resources so Seattle Audubon can advocate and organize for cities where people and birds thrive.

This membership list reflects donors of $49+ who aren’t already included in our Bald Eagle, American Gold Finch, Great Blue Heron, and Chestnut-backed Chickadee member levels.
